

**Fiscal Year 2011  
Family of Services User Fees**

The annual maintenance fee is the sum of the base cost and the circuit bandwidth cost for the Direct Connect Access to OPSnet and/or the sum of the base cost, the circuit bandwidth cost, and the carrier hotel cost for the NYAP Connection to OPSnet for the service (s) chosen by the Applicant. The Government's estimated user fees for fiscal year 2011 are:

|                           |                                    | Direct<br>Connect | Carrier<br>Hotel<br>Cost | Total Cost for<br>New York<br>Access Point |
|---------------------------|------------------------------------|-------------------|--------------------------|--|
| <b>Base Costs</b>         | Server Access Service (SAS)        | \$ 27,065         |                          | \$ 27,065                                  |
|                           | Radar Product Service (RPS)        | \$ 13,440         |                          | \$ 13,440                                  |
| <b>Data Circuit Costs</b> | T1/1.544 Mbps                      | \$ 808            | \$ 12,989                | \$ 13,797                                  |
|                           | 2xT1/3Mbps                         | \$ 1,570          | \$ 20,529                | \$ 22,099                                  |
|                           | 6Mbps/Fractional DS3               | \$ 3,140          | \$ 83,384                | \$ 86,524                                  |
|                           | DS3/45Mbps                         | \$ 23,549         | -                        | -  |
| <b>Total Costs</b>        | SAS- T1/1.544 Mbps                 | \$ 27,873         |                          | \$ 40,862                                  |
|                           | SAS- 2xT1/3Mbps                    | \$ 28,635         |                          | \$ 49,164                                  |
|                           | SAS- 6Mbps/Fractional DS3          | \$ 30,205         |                          | \$ 113,589                                 |
|                           | SAS- DS3                           | \$ 50,614         |                          |  |
|                           | RPS- T1/1.544 Mbps                 | \$ 14,248         |                          | \$ 27,237                                  |
|                           | RPS- 2xT1/3Mbps                    | \$ 15,010         |                          | \$ 35,539                                  |
|                           | RPS- 6Mbps/Fractional DS3          | \$ 16,580         |                          | \$ 99,964                                  |
|                           | RPS- DS3                           | \$ 36,989         |                          |  |
|                           | SAS and RPS- 2xT1/3Mbps            | \$ 42,075         |                          | \$ 62,604                                  |
|                           | SAS and RPS- 6 Mbps/Fractional DS3 | \$ 43,645         |                          | \$ 127,029                                 |
|                           | SAS and RPS- DS3                   | \$ 64,054         |                          |  |

Annual maintenance fees are due to the NWS each year by October 1, and cover a one-year period from October 1 through September 30 of the following year. Fees are prorated on a quarterly basis as shown below:

1st Quarter - October, November & December - Full Fee

2nd Quarter - January, February & March - 75% of Fee

3rd Quarter - April, May & June - 50% of Fee

4th Quarter - July, August & September - 25% of Fee

Please contact Julie Hayes (Julie.Hayes@noaa.gov) for information on remitting your user fees via Automatic Clearing House (ACH).
