MEMORANDUM FOR: National Weather Service Directives System (NDS) Customers
FROM: 
David B. Caldwell
Director, Office of Climate Water and Weather Services
SUBJECT: Rescission of NWSI 10-809, *Support to the Federal Aviation Administration's Pilot Weather Briefing Program*

The following document is rescinded from the NDS.

NDS Title: *Support to the Federal Aviation Administration's Pilot Weather Briefing Program*

NDS Number: NWSI 10-809

Effective Date: October 28, 2008

Signature Date: October 14, 2008

Certified By: K. Johnston

Approving Authority: David B. Caldwell

Summary: NWSI 10-809, *Support to the Federal Aviation Administration's Pilot Weather Briefing Program*, outlines the process the NWS cell at the FAA Academy uses in certifying FSS pilot weather briefers and maintaining certification records. However, the NWS no longer certifies the pilot weather briefers for the FAA.
