MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Mark Andrews, Chief, Aviation Services Branch

SUBJECT: Certification of NWS Instruction 10-810, Domestic
Products, Dated December 20, 2002

The Aviation Services Branch reviewed National Weather Service Procedural Directive 10-810, Domestic Products, and certifies it is current and requires no updating during the first half of its FY 2004 annual review cycle. However, updates to other procedural directives in the NWS 10-8 series will necessitate changes to NWSI 10-810 during the second half of FY 2004.
