

October 20, 2003

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Mark Andrews, Chief, Aviation Services Branch

SUBJECT: Certification of NWS Instruction 10-812, Aviation
Wind and Temperature Aloft Forecasts, Dated October
24, 2002

The Aviation Services Branch reviewed NWS Procedural Directive 10-812, Aviation Wind and Temperature Aloft Forecasts, and certifies it is current and requires no updating during the first half of its FY 2004 annual review cycle, but expects it to be updated during the second half of FY 2004.
