

August 30, 2007

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: W/OS31 - Tom Graziano

SUBJECT: Certification of NWS Instruction 10-912, River
Forecast Center Products Specification, Dated
June 16, 2003

The Hydrologic Services Division in the Office of Climate, Water, and Weather Services reviewed National Weather Service Instruction 10-912, River Forecast Center Products Specification and certifies it requires no updating during its FY 2007 annual review cycle.

Responsibility for the directive is currently held by:

OPR: T. Helble, W/OS31
Certifier: T. Graziano, W/OS31
Approving Authority: J. Hoke, Acting Director, Office of Climate,
Water, and Weather Services
