

June 15, 2004

MEMORANDUM FOR: W/CFO3 - Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: W/OS3 - Glenn Austin

SUBJECT: Certification of NWS Instruction 10-912, *River
Forecast Center Products Specification*, Dated
June 16, 2003

The Hydrologic Services Division in the Office of Climate, Water, and Weather Services reviewed National Weather Service Instruction 10-912, *River Forecast Center Products Specification* and certifies it is current and requires no updating during its FY 2004 annual review cycle.
