

Date: August 8, 2006

MEMORANDUM FOR: Management and Organization Division  
Office of the Chief Financial Officer/Chief  
Administrative Officer

FROM: W/WR1x2 – Craig Schmidt, Dissemination Mgr.  
Meteorological Services Division  
Western Region Headquarters

SUBJECT: Certification of 3-2004 Western Region Procedures for  
Incorporating Direct Audio Access for All-Hazards Messages on  
NOAA Weather Radio, Dated April 14, 2004

The Western Region Meteorological Services Division reviewed National Weather Service Supplement 3-2004 Western Region Procedures for Incorporating Direct Audio Access for All-Hazards Messages on NOAA Weather Radio, dated April 14, 2004 applicable to NWSI 10-1710 NOAA Weather Radio Dissemination, and certifies it is current and requires no updating during its FY 2006 annual review cycle.
