NATIONAL WEATHER SERVICE
1325 East-West Highway
Silver Spring, Maryland 20910-3283

NOV 30 2011

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Mark S. Paese
Director, Office of Operational Systems

SUBJECT: Certification of the National Weather Service Policy Directive 30-3,
Operational Test and Evaluation, dated November 17, 2006

The Office of Operational Systems, Field Systems Operations Center, Test and Evaluation Branch reviewed the National Weather Service Directive 30-3, *Operational Test and Evaluation*, and certifies it requires no updating during its CY 2011 biennial review cycle.

Responsibility for the directive is currently held by:

OPR: Neal Dipasquale, W/OPS2

Certifier: Mark S. Paese, W/OPS

NOAA Assistant Administrator for Weather Services: Dr. John L. Hayes
