

U.S. DEPARTMENT OF COMMERCE
National Oceanic and Atmospheric Administration
NATIONAL WEATHER SERVICE
Silver Spring, Md. 20910

OCT 15 2012

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Mark S. Paese
Acting Director, Field Systems Operations Center

SUBJECT: Certification of National Weather Service Policy Directive 30-3,
Operational Test & Evaluation, Dated November 17, 2006

The Office of Operational Systems, Field Systems Operations Center, Test and Evaluation Branch reviewed the National Weather Service Directive 30-3, *Operational Test & Evaluation*, and certifies it requires no updating during its CY 2013 biennial review cycle.

Responsibility for the directive is currently held by:

OPR: Neal Dipasquale, W/OPS2

Certifier: Mark S. Paese, W/OPS

Approving Authority: Laura Furgione, Deputy Assistant Administrator National Weather Service
