

October 31, 2007

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Adrian Gardner /s/
NWS Chief Information Officer

SUBJECT: Certification of Information Technology 60-2101,
Telecommunications Service Priority Assignment
Procedures, Dated September 8, 2003

The Office of the Chief Information Officer reviewed National Weather Service Procedural Directive 60-2101, Telecommunications Service Priority Assignment Procedures, and certifies it requires no updating during its FY 2007 biennial review cycle.

Responsibility for the directive is currently held by:

OPR: T. Sandman, CIO14
Certifier: A. Gardner, CIO
Approving Authority: Chief Information Officer, A. Gardner

*Note: This is the division chief.
