

April 14, 2004

MEMORANDUM FOR: Management and Organization Division  
Office of the Chief Financial Officer/Chief  
Administrative Officer

FROM: Douglas Hess (signed)  
Director, Field Systems Operations Center

SUBJECT: Certification of 80-202, System Decommissioning  
Process dated October 3, 2002

The Office of Operational Systems has reviewed National Weather Service Procedural Directive 80-202, System Decommissioning Process and certifies it is current and requires no updating during its FY 2004 annual review cycle.
