Randy Chambers
Susan Reiley

Mark Frisch
Kenneth Davidson

ACTION ITEMS:

10,578 – Olga Brown-Leigh:

7/12/07: Olga is in Training and will provide a status report when she returns.

AWIPS WAN Migration is on going. SEC Analysis is working with CIO-14 on addressing outstanding action items, as part of the conditional approval to proceed. SEC Analysis Branch held the follow-up AWIPS MPLS Management Status Briefing on May 14, 2007. The purpose of the meeting was to conduct a follow-up status meeting with Executive Decision Team on SEC's NOAANet Corrective Action Schedule Plan, highlighting target dates for each outstanding condition.

RCs REVIEWED AND THEIR NEW STATUS:

10,648 – Approved with conditions: ATAN at few sites

10,707 – Disapproved

10,724 – Approved

10,745 – Approved

10,746 – Approved

10,757 – Approved

10,763 – Approved

10,764 – Needs to be determined if NCEP withdrew this. If not, send originator e-mail asking why they are not using NCEP's network.

10,765 – HOLD for one week per Analysis Branch request for more time

10,766 – Originator has re-written RC, currently out for review

10,767 – Approved

10,771 – Approved

OLD BUSINESS:

10,590 – On HOLD, T. Tran stated that RTS has until Tuesday, 7/17/07 to respond for her updates
