### 6. NEW BUSINESS

#### **WEB BASE RC SYSTEM**

Question:

In the new online system, is there going to be a way for us to submit attachments along with the form? I know we've often times sent Word documents along with the form that outline more complex header schemes and the like.

Response:

It is my understanding that the system is being designed to allow certain individuals the ability to attached documents to the RC form. However, I'm not sure if this feature will be used to attach complex header schemes.
