

Workshop Questions for Group 1

Related to the Vision and Goals Section (Section 4) of the TIP

The following questions will be answered by the Breakout Group focusing on the Vision and Goals section (Section 4) of the TIP during the first afternoon of the Workshop. Group Leads will report the Group answers to the Workshop in the plenary session during the second morning. We will also be happy to accept individual responses to the questions.

Breakout Group or Name (if individual response):

1. Overall, what are the strengths and weaknesses of the TIP?

The following questions are in regard to the Vision and Goals Section (Section 4) of the TIP your Breakout Group is focusing on:

2. Are the goals scientifically sound? Is the predictability description adequate?
3. Are the goals ambitious enough/too ambitious?
4. Should any goals be excluded?
5. Should any other goals be included?
6. Prioritize a list of the most important S&T advances necessary to reach the goals.
7. List major challenges that will need to be overcome in order to reach the goals and the vision.
8. Other comments/concerns:
