

Workshop Questions for Group 2

Related to the Fundamental Understanding Section (Section 5.7) of the TIP

The following questions will be answered by the Breakout Group focusing on the Fundamental Understanding section (Section 5.7) of the TIP during the first afternoon of the Workshop. Group Leads will report the answers to the Workshop in the plenary session during the second morning. We will also be happy to accept individual responses to the questions.

Breakout Group or Name (if individual response):

1. Overall, what are the strengths and weaknesses of the TIP?

The following questions are in regard to the Fundamental Understanding section (Section 5.7) of the TIP your Breakout Group is focusing on:

2. Do the research topics in this section of the TIP adequately support the 2025 goals in Section 4? If not, what supporting research should be included in your section?
3. What additional goals (if any) not listed in Section 4, would the research areas in your section support? What are these research areas?
4. Aside from your answers to 2 & 3, are there additional research areas needed in your section? If so, why (what will they support?) and what are these specific research areas?
5. Prioritize a list of high impact research areas that will support reaching the 2025 goals.
7. What S&T challenges must be overcome in order to meet these goals?
8. What new S&T might become available that could address these challenges?
9. Other comments/concerns:
