March 18, 2005

MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief Administrative Officer

FROM: David B. Meek
Chief Data Systems Branch

The Pacific Region HQ reviewed National Weather Service Supplement 05-2003, “Use of Parachutes in Radiosonde Trains,” applicable to 10-1400, and certifies it is current and requires no updating during its FY 2005 annual review cycle.
