MEMORANDUM FOR: Management and Organization Division
Office of the Chief Financial Officer/Chief
Administrative Officer

FROM: Dr. Percy Thomas //Signed//
Chief, Office of Climate, Water, and Weather
Services, Training Division

SUBJECT: Certification of National Weather Service
Instruction 20-103, Forecaster Development
Program Training, dated September 25, 2002

The Office of Climate, Water, and Weather Services reviewed National Weather Service (NWS) Instruction 20-103, Forecaster Development Program Training, dated September 25, 2002, and certifies it is current.

The National Labor Council's NWS Management Team is currently reviewing comments made by the NWS Employees' Organization during the recent annual review cycle. Once these comments are addressed, a emergency issuance of the Directive may be issued.
