JUL 22 2016

MEMORANDUM FOR: National Weather Service Directives System (NDS) Customers

FROM: *for* Thomas Graziano *Donna Page*
Director, Office of Water Prediction

SUBJECT: Rescission of 80-702
Process for Developing and Sharing River Forecast Center Applications

The following document is rescinded from the NDS.

NDS Title: Process for Developing and Sharing River Forecast Center Applications
NDS Number: 80-702
Effective Date: 1/22/2014
Signature Date: 1/8/2014
Certified By: Donna Page
Approving Authority: Robert Hartman, Acting OHD Director

Summary: Due to the NWS Re-organization and the full adoption of V-Lab as means to develop, collaborate, and share applications, this directive is obsolete.
