## NDS Subscriber Service

<u>Table of Contents:</u>	<u>Page</u>
1. Subscriber Requirements .....	1

1. Subscriber Requirements. National Weather Service Headquarters (NWSH) has established an e-mail subscription service for announcements of new NWS Directives System (NDS) postings. This subscription service has replaced the e-mail notifications that were previously sent out by Betty Dodds of the Chief Financial Officer’s Management and Organization Division (CFO3). This is the **only** means of notification of new directives. All Alaska Region supervisors and Mobile Emergency Unit (MOBEU) staff **will** subscribe to this service by going to [www.nws.noaa.gov/directives](http://www.nws.noaa.gov/directives) and clicking the Subscribe/Unsubscribe link at the bottom of the page. Designated Station Duty Manual focal points should also subscribe. When policy directives, procedural directives, and supplements are posted to the NDS web site, subscribers will receive an automatic e-mail with a link to the “What’s New” page. Subscribers can also unsubscribe at the same link.
