Type of Issuance: Routine

SUMMARY OF REVISIONS: This directive supersedes NWSPD 1-7, “Administrative Controls”, dated July 5, 2004. Changes made to reflect the NWS Headquarters reorganization effective April 1, 2015. No Content Changes were made

1. The National Oceanic and Atmospheric Administration’s (NOAA) National Weather Service uses administrative controls (are changes in work procedures such as written safety policies, rules, supervision, schedules, and training with the goal of reducing the duration, frequency, and severity of exposure to hazardous chemicals or situations.) to ensure resources are utilized efficiently, effectively, and in compliance with applicable law. This directive provides the framework for establishing and issuing administrative controls within the organization.

2. Federal personnel, labor management, and equal employment opportunity laws and regulations and Federal agency policy, including policy set by the Office of Personnel Management (OPM), Equal Employment Opportunity Commission (EEOC), Department of Commerce (DOC), and NOAA must be followed when exercising administrative requirements.

3. This policy directive establishes the following authorities and responsibilities:

3.1 The Chief Financial Officer/Chief Administrative Officer (CFO/CAO) is responsible for ensuring that Headquarters, Regional, and Staff Office Directors (NWS Directors) are provided with and held accountable for established administrative controls. The CFO/CAO approves the level at which administrative controls are implemented. Through the NWS Directives System the CFO/CAO issues NWS-wide administrative control procedures and maintains a record of administrative controls at all levels.

3.2 NWS Directors will implement administrative controls delegated to them by the CFO/CAO or established within their organizations. Directors may redelegate their authority in full or in part to subordinate officials as appropriate.

4. Redelegation levels are assigned under each program procedure.
5. This policy directive is supported by the references and glossary of terms listed in Attachment 1.

Signed July 18, 2016
Louis W. Uccellini Date
Assistant Administrator for Weather Services
Attachment 1
