Certified by: CFO/CAO (J. Potts)  
Type of Issuance: Routine

SUMMARY OF REVISIONS: This directive supersedes the National Weather Service Policy Directive (NWSPD) 90-1, Staffing Administration, dated June 3, 2016. Changes are updating the title of two documents listed in Attachment 1 (page 3) as follows: From DAO 215-9, Filing Discrimination Complaints to DAO 215-9, Processing Complaints of Discrimination; and from DAO 215-10, Reasonable Accommodation for Disabilities in Employment to DAO 215-10, Reasonable Accommodation for Applicants with Disabilities.

1. Staffing is an essential component of the operations of the National Oceanic and Atmospheric Administration’s (NOAA) National Weather Service (NWS). Effective staffing policy directly supports effective operations. This directive provides a framework for the hiring and employment of NWS personnel.

2. Merit system principles, Federal personnel, labor management, and equal employment opportunity laws and regulations and Federal agency policy, including policy set by the Office of Personnel Management (OPM), Equal Employment Opportunity Commission (EEOC), Department of Commerce (DOC) and NOAA must be followed when establishing and implementing staffing policies and procedures. Any NWS policy or procedure in conflict with these will be considered invalid.

3. Discrimination against applicants for employment and employees based on race, color, national origin, religion, sex, age, disability, or sexual orientation is prohibited.

4. Staffing is not limited to the application and hiring process. It encompasses all personnel actions including pay, assignments, leave, details, transfers, training, and promotions.

5. NWS will issue staffing policies and procedures responding to the unique needs of the organization. These policies and procedures will not replicate existing DOC and NOAA policies and procedures.

6. This policy establishes the following authorities and responsibilities:

6.1 Implementation of staffing policies and procedures is delegated to the Chief Financial Officer/Chief Administrative Officer (CFO/CAO). The CFO/CAO will:
6.1.1 Act as the liaison between the Department/NOAA and NWS in communicating NWS staffing policies and procedures.

6.1.2 Review staffing procedures and requests from Financial Management Centers (e.g., collecting full-time equivalent [FTE] requests for special hiring programs).

6.1.3 Establish internal staffing procedures unique to the NWS.

6.2 As a general practice, NWS Headquarters, regional headquarters, national centers, and field offices are delegated authority to make staffing decisions within their jurisdiction. Under unique circumstances, NWS Headquarters, regional headquarters, national centers, and field offices will coordinate delegated staffing practices with the CFO/CAO (e.g., operating under hiring controls).

6.3 The authorities and responsibilities in this section are subject to temporary suspension or alteration if directed by NOAA or higher authorities.
